Re: Approval of Confirmatory Laboratories for Private Sector Drug Free Workplace Testing

Dear Ms. Taddei:

We are in receipt of the application information received by this office submitted by United States Drug Testing Laboratories, Inc., for renewal as an Approved Confirmatory Laboratory for Private Sector Drug-Free Workplace Testing, in accordance with Iowa Code section 730.5. The renewal fee of \$300.00 was received and processed.

This letter is written as official notification of **Approval** for the United States Drug Testing Laboratories, Inc., Des Plaines, Illinois, to conduct confirmatory drug testing in accordance with Iowa Code Section 730.5 (7) "e" Private Sector Drug-Free Workplaces, and 641 Iowa Administrative Code, Chapter 12, Approval of Confirmatory Laboratories for Private Sector Drug-Free Workplace Testing, specifically rules 641 IAC 12.14(730) and 641 IAC 12.15 (730).

**APPROVAL IS GRANTED AND VALID UNTIL OCTOBER 13, 2021**

Renewal of Approval to continue confirmatory testing is an annual process in accordance with 641 IAC 12.13 (730) Approval, Renewal, and Inspection Fees and 641 IAC 12.14 (730) Renewal, which requires submission of the following to this department by September 13, 2021:

- Renewal fee of \$300.00, payable to the Iowa Department of Public Health;
- Name and address of the laboratory;
- Information that reflects any changes that occurred during the current approval period; and,
- A copy of supporting documents if accredited for forensic urine drug testing by the College of American Pathologists, or if certified, licensed or approved through reciprocity.

Please be advised that in accordance with 641 IAC 12.16 (730), changes that occur during an approval period shall be submitted to the department within five working days from the day of the change. Such changes include:

1. Change in laboratory director.
2. Change of address.
3. Change in supervisor.
4. Change in confirmation procedures.
5. Change in proficiency testing program.
6. Addition or subtraction of alcohol or other drug, or their metabolites, being tested.
7. Change of ownership.
8. Loss of accreditation for forensic urine drug testing by the College of American Pathologists.

If I can be of any further assistance, please feel free to contact me.

Sincerely,

Lori Hancock-Muck  
Health Facilities Officer  
Division of Behavioral Health
